

Global BC Impact Advocacy Webinar Series

What: A Focus on Health Literacy: Helping People with Breast Cancer Access Information

When: Tuesday, September 20th, 8:00 – 9:00 am EST

Where: Wherever you'd like, it's virtual! [Click Here](#)

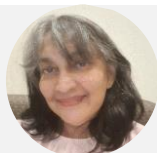

Pfizer Oncology invites you to attend the fourth in a series of webinars dedicated to providing breast cancer advocates from around the world with an opportunity for education, capacity building and best practice sharing. Renate Haidinger, of the German Breast Cancer Association, will moderate a discussion with experts sharing insights on how they have developed materials and programs designed to help patients understand the healthcare information they are receiving. There will also be time for questions and discussion. This webinar was developed in collaboration with a Steering Committee of five breast cancer advocacy leaders from around the world.
